

To Whom It May Concern:

Please do not allow The Consumer Bankers Association (CBA) to successfully reverse Indiana's Telephone Privacy Law.

I personally receive enough unwanted mail from my bank, telephone company, and long distance company already. I do not wish to receive telephone calls in addition to these.

Once again, please do not allow The Consumer Bankers Association (CBA) to successfully reverse Indiana's Telephone Privacy Law.

Thank you for your attention to my request.

Richard A. Parks
